

SCHOOL UNIFORM

Our School Uniform consists of the following items:

Blue jumper with school crest

Grey polo shirt with school crest (x 2)

Grey trousers (x 2)

Black shoes – **only all black shoes acceptable**

School jacket with school crest

All items listed above can be purchased from Sheridan's Drapery, Main Street, Granard, Co Longford.

As a result of feedback from students we have recently updated our school jacket. We are conscious that many students already own a school jacket and this will continue to be part of the school uniform alongside the new jacket.

The school jacket can be worn in class and will be the only jacket allowed in the school grounds from the start of the new academic year.

Since the uniform is the "badge" of Ardscoil Phádraig, it should be worn with pride. It is highly recommended to have spare items of uniform available. It is the students and parents / guardians responsibility to ensure that full uniform be worn at all times and for all school related activities.
